

## اللغة الانجليزية

## English Language

### Course Description

This course focuses on enhancing students' proficiency in English through a comprehensive understanding of tenses, conditionals, and sentence patterns.

### Objectives:

1. Students will learn to identify and correctly use various English tenses.
2. Students will develop the ability to use conditional sentences to express real and hypothetical situations.
3. Students will gain proficiency in different sentence structures, enhancing their ability to create complex and varied sentences.

### Learning Outcomes:

1. Students will be able to accurately use several English tenses in appropriate contexts.
2. Students will demonstrate the ability to construct and use conditional sentences effectively in conversation and writing.
3. Students will be able to formulate diverse sentence patterns, improving their overall fluency and coherence in English communication.
